

# Tips<sup>2</sup>for DOORS

## Journal Articles

### Before searching DOORS

Journals usually contain multiple articles. To read a specific article, you need to know the title and volume/issue number of the journal.

Use databases such as “CiNii Research”, “MagazinePlus”, etc. to get the information in advance.

Some databases are available via *eResources List* in *Digital Library*.

国語と国文学 = Japanese Linguistics and Japanese literature / 東京大学国語国文学会 編 92 (7), 3-17, 2015-07

In the example of CiNii Research above, you see that the article “源氏物語の時間：光源氏と六条御息所” is on page 3 to 17 in the journal “国語と国文学” Vol. 92, no.7 published in July, 2015.

Then, you can check to see if Doshisha University holds the journal by using the Doshisha Univ. tab on **DOORS**.

The Doshisha Univ. tab on DOORS is unavailable for searching by the title of the article. Please search by the title of the journal which contains the article.

### Searching DOORS with Doshisha Univ. tab

- Enter the title of the journal in a search box, and click “Search”.
